

Living with Hope: A Brain Tumor Workshop

A community event for patients,
families and friends

Join caregivers from the Laurel Amtower Cancer Institute and Neuro-Oncology Center at Sharp HealthCare for a special workshop dedicated to the treatment and care of patients with brain tumors.

Saturday, January 26, 2019

8:30 a.m. registration, program begins at 9 a.m.

Sharp Memorial Outpatient Pavilion
3075 Health Center Dr. San Diego, CA
- Light breakfast and lunch provided -

Speakers include:

- Dr. Charles Redfern, medical director of medical oncology
- Dr. Siavash Jabbari, medical director of radiation oncology
- Dr. Vikram Udani, medical director of neurosurgery

Attendees will learn about:

- Advances in treatment
- Clinical trials
- Genetics and cancer risk
- Nutrition
- Community resources and social support
- Advanced care planning

Tours of the Laurel Amtower Cancer Institute will be provided. Representatives from brain tumor organizations, health advocacy agencies, and other community groups will also be available to offer information and resources for the brain tumor community. Attendees can enjoy free mini massages and reiki sessions from practitioners at our Cushman Wellness Center.
